2023 Wednesday Morning League

We welcome ladies of all golfing abilities. You don't need a partner-the golf committee has you play in one of three flights so you play with ladies of similar abilities.

The fees to join the league and play are as follows:

\$30 membership fee for all league members

\$12 handicap fee for all non-members of Lakeview Hill CC

\$25 weekly for nine holes for league members who are not members of Lakeview Hills CC (includes cart fee)

\$12 cart fee for members of Lakeview Hills CC

Optional after lunch play

\$8 additional 9 hole cart fee for members of Lakeview Hills CC

\$15 additional nine holes including cart for non-members of Lakeview Hills CC

The season golf schedule is attached. The first week, please try to arrive by 8:15 to allow time to pay dues and organize. **Tee times for the entire season will be 9:00, with arrival at least twenty minutes prior.** Note the dates for tournament in July: four rounds, two on each nine, with the best round on each nine used for tournament results.

After golf, please stay for lunch and visit with fellow golfers. Although we order off the menu, sign up for lunch in the morning in the pro shop so the club knows how many to plan for. Every 2nd Wednesday of the month is set aside for our monthly meeting which we call to order during lunch. After lunch golfers may go out for another round if they wish.

In addition to regular play on Wednesday, once a month, usually on a Monday, the league has an optional 18 hole outing to another local course.

Any questions call Judy at 810 359-7884 or 810 278-7689.
